

### Walk Behind 510mm Mains and Battery Powered Scrubber Dryer

This battery driven machine with traction ('L' version only) has large solution and recovery tanks for extended cleaning times.

The machine is suitable for demanding cleaning tasks in supermarkets, hospitals and retail centres.

The rugged large tanks and easy to understand control panel make this machine very reliable and simple to use.

### PRODUCT FACTS

- Powerful transaxle drive system ('L' version only).
- Exclusive break away squeegee protects surrounding areas.
- Squeegee blade change without any tools.
- Large rugged roto moulded tanks and battery compartment gives long running time without re filling and charging.
- Bristle brush skirts to reduce over spray.
