

Manually operated

Manually operated robust sweeper for small areas. Adjustable main and side broom, foldable handle. Robust large hopper with carrying handle. Perfect for private use.

The two main and side brooms makes this compact manual sweeper extremely efficient.

PRODUCT FACTS

- Foldable handle for easy storage, saves space.
- Light and strong hopper with carrying handle makes it easy to empty.
- Large hopper minimises the time spent on emptying the hopper.
- Adjustable main broom compensates for wear, giving longer broom lifetime.
