

Dust free sweeping of floors or carpets

With their compact, ergonomic design and easy manoeuvrability these handy machines allow you to clean large areas and at the same time get into corners and narrow spaces. That, combined with low noise levels, provides operators with a pleasant work environment.

Space for two batteries extended operation time. Low voltage cut-off system ensures long battery life by protecting batteries from deep discharge. Optional on-board charger freedom to charge anywhere.

PRODUCT FACTS

- Quick and easy inspection/change of filters and brooms without using tools.
- Driver ergonomics, traction and easy manoeuvrability for optimum work flow.
- Durable polyethylene construction and rotor moulded cover resist corrosion.
- Mechanically linked motor and gearbox reduce maintenance costs and minimize downtime.
